To Whom It May Concern,

Reference Letter for Child Rights Information and Documentation Centre (CRIDOC)

The Malawi Office of **SRHR Africa Trust (SAT)** is pleased to be a partner with the Child Rights Information and Documentation Centre (CRIDOC), an NGO duly registered in Malawi, which was established to create access to information related to the rights and development of children and young people.

In Malawi, SAT, whose regional office is based in South Africa, started operations in 1991 and is registered under the companies Act as a Non-Profit Organization. SAT's programming is premised around HIV, TB and Sexual and Reproductive Health and Right (SRHR) for young people and women. SAT also aims to connect community voices and experiences to national, regional and international networks and bring global best practices to the communities through strategic partnership.

One of the projects that SAT has been implementing with partners in Malawi is Adolescent Girls and Young Women Accountability Project in which CRIDOC has played an important role as one of the core partners. In this project, CRIDOC managed to Amplify Adolescent Girls and Young (AGYW) voices in Malawi on HIV and AIDS and supporting AGYW to be part of Global Fund country related processes at national and grassroots level activities in policy discussions and advocacy processes.

In this context, based on our partnership record as described above, we believe that CRIDOC would be an excellent partner with any other non-profit institution internationally. Throughout our acquaintance with staff at CRIDOC, we found them to be efficient, professional, honest, organized, and a fantastic team to work with. CRIDOC, therefore, has our highest recommendation for any other potential partnership opportunity, especially those related to fundraising/resource mobilisation, community mobilisation and/or advocacy, just to mention a few.

Please feel free to contact the undersigned at +265 999 163 511 if you need any additional information or clarification or use the email address in the letterhead to contact SAT, Malawi office.

Yours faithfully,

Robert Mangwazu Phiri
Country Director- SAT Malawi
